CONCORDE

WAY. BETTER.

Concorde Construction is a full-service general contractor specializing in Preconstruction, General Contracting, and Design/Build services across a wide range of market sectors. With more than 30 years in business and over \$1 billion in completed projects throughout the Southeast, Concorde has built a legacy of quality, integrity, and innovation. At Concorde, you'll be part of a collaborative, people-focused culture where seasoned industry professionals are committed to mentoring the next generation of construction leaders.

## CORE VALUES

BE A LEADER  
REMOVE OBSTACLES  
BUILD RELATIONSHIPS  
OWN YOUR OUTCOMES  
CONTRIBUTE TO THE  
GREATER GOOD

# INTERN PROGRAM

Concorde's internship program is designed to immerse you in the full lifecycle of a commercial construction project. From preconstruction planning and project management to hands-on exposure at active jobsites, you'll gain a comprehensive understanding of the roles and responsibilities that drive a project from concept to completion.
